Christmas Dinner – Dec 11th. Doors open at 10AM, Dinner is served at 11:30AM. The potluck sign-up sheet is at the front. We anticipate ~40 people. Our Christmas dinner will include a 'snowman parade' display. Please bring your carved snowmen (or other carvings) to include in our display. Some money is needed to pay for decorations and party favours. Susan made a motion to allow the decorating committee to purchase \$50 worth of decorations above the already \$25 spent to-date. Seconded by Garry. The motion was carried. All members were in favour, none against. Thank you Joanne for being our decorating committee!

Veteran Stackable Snowmen – Wayne will be bringing 43 snowmen to the veterans. These snowmen were carved and painted by Triple C members and are donated to the veterans at Christmas time. Every year Triple C members make carvings for the veterans, this year the pattern selected was the stackable snowman.

Theme Day – Today is antique tools and exotic woods theme day. Thank you Rick J. for showing part of your collection today.

New Year 2025 – Carving will resume on January 8th. Our last club gathering in 2024 is the Dec 11th Christmas potluck.

Tech talk: Terry has some barnboard available today. He also informed us about 'the golden ratio', 1:1.62. This is the ratio of length to width that is considered aesthetically pleasing.

Here is an example from antiquity:
