Guests:

Oops, this agenda topic was omitted. Apologies. FYI – Don who was a member 20 years ago came today. Welcome back Don.

Website:

Dennis explained the invoices associated with the website. To date the domain name invoice has been received and paid (<\$20). He will let us know when the hosting platform invoice comes in.

Business:

Members info – A get well card for Ken King was circulated. Gerry Clements has passed away.

Birthdays – Keith (aka Noah). Happy Birthday Keith!

Theater Sarnia Logo – Work in progress. Nice work over the summer all. Dennis has some small pieces that need to be rounded off. He is expecting a few more small pieces to be cut and needing rounding/sanding. Stay tuned.

Noah's Ark – Keith donated the ark to the club. A small plaque will be added (thank you Doug for offering to make the plaque). The ark is now in the storage room. Dan offered to make a box to store/protect it and facilitate transport (wheels, a handle). Update: Dan will price out the plywood and come back to the club with the info for a final decision.

There was a suggestion to put people's initial on the bottom of each animal. The possibility for engraving was also discussed.

Update: Pat will have a sharpie at the next meeting for people to add their initials to their carvings.

This will be entered into the Brigden Fair – likely Miscellaneous category.

Business Cards – Dennis made a motion for the club to purchase 500 business cards, seconded by Jennifer. In favour, - All. Not in favour – None. Motion carried. Pat will order the cards.

Cogeco – Please let Dennis know if you see our club info being shown on the local channel. He cannot independently confirm as he no longer gets this channel.

Show and Tell – We are trying something new that is in fact the old way of how the Display table was done. Please put your name next to your item on the Display table. Cards and pen provided. Please hold on to your card for re-use.
